SUMMER SEASON 2016 COMPETITION ENTRY FORMS

FOR RIFLE, PISTOL, AIRGUN & CROSSBOW - excluding County Competitions

FOR DETAILS OF THE COMPETITIONS SEE SECTION 7.1 (Club & Individual Postal Competitions) OF THE NSRA HANDBOOK (2nd Edition, issue date 2004). COMPETITION NUMBERS REFER TO THOSE IN THE HANDBOOK.

ELIGIBILITY

Individual Competitions

Entry is restricted to Life and Annual Members of the NSRA. A fee of £8.20 must be paid for each competition entered.

Club Team competitions

Entry is restricted to Category A Clubs (both Senior and Junior) which are currently affiliated to the NSRA. **Team members must be Life, Annual or Associate Members of the NSRA, except where stated otherwise. Membership numbers must be quoted.** A team member must have been a member of the club for at least one month prior to the date of shooting in the team for the first time. A club may enter any number of teams.

CALCULATION OF AVERAGES

Averages for all competitions shall be given as points scored, not dropped, and must be certified as correct on the entry form by the Club Secretary, Captain or other appropriate club official.

For competitions where a shooter's average is required, the average will be calculated as:

- A. In team leagues, the exact average achieved by the shooter in the equivalent league the previous year.
- B. Where the shooter did not take part in the previous league, an average may be calculated from the best ten of the last twelve confirmed scores in any league or leagues, or as an average from any completed league.
- C. For all individual competitions the average of the best 10 of 12 of confirmed scores in any relevant league.
- D. If a shooter has had a significant improvement or deterioration since last year, a more relevant average can be used (best 10 of 12, or taken as an average from any relevant league). If the average is lower than last year's, evidence to substantiate the reduction must be provided.

The average for each shooter must be quoted to one decimal place and must not be rounded to the nearest whole number.

The team average will be the aggregate of the individual averages of the members of the team.

If a club is unable to declare an average in accordance with the relevant conditions for a competition, an explanation of the cards used to obtain the average declared must be sent with the entry.

Please note that all team and individual entries MUST be on the official forms. "See attached sheet" is unacceptable. Entries not on the official forms will NOT be entered in the relevant competition(s).

DISCIPLINARY ACTION

Competitors and teams whose scores unreasonably exceed their declared averages may be re-classified or disqualified from a competition.
